

American Pneumatic Tools

MODEL 1133 RIVET BUSTER PART # 17399

The APT Model 1133 Rivet Buster is a jumbo Rivet Buster with an 11" stroke. This model complements the "classic" 133 Rivet Buster in those applications where heavy demolition force is required. The tool is widely known as being tough and powerful, with the ability to perform heavy demolition work. Rivet Busters are also popular for cutting up underground tanks.
